136466 CIRESI MICHAEL P DOB: 09/24/1967 - DENIED

The Board acknowledges the commendable efforts of rehabilitation and programming by Mr. Ciresi as well as his

acceptance of responsibility. The Board also acknowledges his community support of family and friends. Given the length of his sentence and gravity of his multiple offenses, which reflect a serious pattern of criminal thinking and activity, including the betrayal of public trust, and his oath as a public servant, the Board believes that to parole him at this time in his sentence would undermine the seriousness of these offenses and promote disrespect for the law. We will reconsider him in thirty months (9/2017). Please note Mr. Rickman dissents as he would have reconsidered him in five years. The Board votes to deny parole without reconsideration and Mr. Cruz will flatten his sentence. Based on the nature and

seriousness of his offense (firearms charge) to parole him at this time would promote disrespect for the law. Mr. Cruz has a pending charge if that pending charge is dismissed he may write to the Board for reconsideration. (GTD: 10/18/15)INTAKE VOTE UNANIMOUS-Present; Pisaturo, Almeida, Reamer, Rickman

The Board votes to deny Mr. Dacruz parole on the basis that he was on probation at the time of this offense, the nature of this offense for the delivery of drugs as well as his criminal history. In addition he has had a prior opportunity on parole in the past .To parole him at this time would depreciate the seriousness of his offense and also promote disrespect for the law. We will reconsider him in one year. (3/2016) MEDIUM VOTE UNANIMOUS-Present; Pisaturo, Almeida, Reamer, Rickman

The Board votes to deny parole without reconsideration and he will flatten his sentence. This denial is based on the nature of the charge (possession of a firearm) as well as his presentation before the Board which the Board found not credible and his record in other states. Also to parole Mr. King would promote disrespect for the law. The Board recommends that he engage in programming here at the ACI.

(GTD:9/21/15) MEDIUM VOTE UNANIMOUS-Present; Pisaturo, Almeida, Reamer, Rickman

The Board votes to deny parole without reconsideration and Mr. Moscarelli will flatten his sentence. The reason for the denial is based on his extensive criminal history since 1991 as well as the fact that he was on probation at the time of the offense and to parole him would depreciate his extensive criminal record and promote disrespect for the law. (GTD: 11/22/15)MEDIUM VOTE UNANIMOUS-Present; Pisaturo, Almeida, Reamer, Rickman

INTAKE (GTD:10/10/15) VOTE UNANIMOUS-Present; Pisaturo, Almeida, Reamer, Rickman

In light of Mr. Schatz record, the Board believes he should serve more time, otherwise parole would depreciate the seriousness of his offense and criminal history and promote disrespect for the law. This is especially in light of the fact that he was on probation at the time of his new offense for a similar charge of possession of pornography. We will reconsider him in one year (3/2016). The Board would like to see Mr. Schatz engage in programming that
